SUPPLEMENT TO REPORT NO.

- 1. Upon entering the harbor of Stettin, many freighters were observed to star-board, all docked bow to stern. At night, no lights were seen in Stettin. As soon as the ship had made fast, a military police quard was posted at the ship. The crew had to line up on the bow where the roll was checked. The ship was then examined by a patrol of about ten soldiers. Ho one was permitted to go ashore. Lost of the harbor workers, among whom were many women, spoke good Cerman.
- 2. Source's ship took one and a half days to load 2,200 tons of coal in the Reiher lorder harbor in Stettin. It is possible for six medium sized freighters to load simultaneously in the inner harbor basin.

Attachment: Plan of the Reiher Merder harbor in Stettin.
